

February 21, 2013

Tami Palmquist  
City Planner

**RE: Z13000SSDP “Convention Center”**

Ms. Palmquist :

Thank you, for inviting the Spokane Tribe of Indians to review and comment on your undertaking.

Pursuant to application SEPA Checklist, we are herby in consultation for this project

We have received the application material for the project area,  
The Spokane Tribe of Indians does express interest in projects that impacts cultural resources and traditional Cultural properties (TCP).

We have had one on site meetings for this project to discuss any actions that would destroy any cultural resources, Jim Kolva were present for the onsite meeting, we discussed monitoring and signage on this project.

Evidence below the surface may still be in place and artifact and human remains may be entering the site through hydrological processes, and other means.

Should additional information become available our assessment may be revised.

Our tribe considers this a positive action that will assist us in protecting our shared heritage.

If question arise, contact my office at (509) 258 – 4315.

Sincerely,

Randy Abrahamson  
Tribal Historic Preservation Officer.
